Sexy Boy

ì•´ íš¨ë¦¬, íœ˜ì„±

Do ya, do ya, do ya, do ya, do ya, yah
Do ya, do ya, do ya, do ya, do ya, oh
Do ya, do ya, do ya, do ya, do ya, oh
I saw you on the beach in the sand looking sexy
And I tried to holla but somethin' 'bout you would hex me
Tried to step to you but my crew left me hanging
While I tried to make my move
What do I do
When I try and try and try to get next to you
[REFRAIN:]Sexy boy you got me weak
And I really wanna get to know yeah
I think about what we could be
And I think I really really wanna hold ya (I want you)
If I could move my lips and speak
I'd tell you that I really want ya
But I can't, so I'll be thinking about us (start thinkin' 'bout you)
Us chillin' together
I watch you
Tryin' to give ya them eyes
So ya see me

Hopin' that when you finally look
I'm not trippin'
Cause I like you
Wanna slide you
All my numbers
'cause I'm really feeling you
What do I do
When I try and try and try
To get next to you
[REPEAT REFRAIN]Do ya, do ya, do ya, do ya, do ya...woh oh...
Do ya, do ya, do ya, do ya, do ya...woh oh...
Do ya, do ya, do ya, do ya, do ya...woh oh...
Baby I've been catchin' feelings
It's crazy
I wish we were just chillin'
Maybe if you're ready & willin'
Baby, baby, baby I love you
[REPEAT REFRAIN (3x)]
