

Through the Valley

Shawn James

I walk through the valley of the shadow of death.
I fear no evil because I'm blind to it all.
My mind and my gun they comfort me
Because I know I'll kill my enemies when they come.
Surely goodness and mercy will follow me all the days of my life
And I will dwell on this earth forevermore.
I walk beside the still waters and they restore my soul
But I can't walk on the path of the right because I'm wrong.
Well I came upon a man at the top of a hill
Call himself the savior of the human race.
Said he come to save the world from destruction and pain
But I said how can you save the world from itself.
Because I walk through the valley of the shadow of death.
I fear no evil because I'm blind.
I walk beside the still waters and they restore my soul
But I know when I die my soul is damned.
