# Heroes (Deviz Bang & Edshock Bootleg)

## Alesso

We could hide away in daylight
We go undercover, wait out the sun
Got a secret side in plain sight
Where the streets are empty, that's where we runEveryday people do everyday things but I
Can't be one of them
I know you hear me now, we are a different kind
We can do anythingWe could be heroes
We could be heroes, me and you
We could be heroes
We could be heroes, me and you
We could beAnybody's got the power
They don't see it cause they don't understand
Spin around and round for hours
You and me, we got the world in our handsEveryday people do everyday things but I
Can't be one of them
I know you hear me now, we are a different kind
We can do anythingWe could be heroes
We could be heroes, me and you
We could be heroes
We could be heroes, me and you
We could beWe could be heroes
We could be heroes
Me and you
We could beAll we're looking for is love and a little light
Love and a little light
(We could be)
All we're looking for is love and a little light
Love and a little lightWe could be heroes
We could be heroes
Me and you
We could be
