

I Want You (girlfriend)

Pretty Ricky

You're my baby
You're my baby
You're my baby
You're my baby You'll be my girlfriend
And I'll be you boyfriend
Let's make it official
'Cause I want you, girl You'll be my girlfriend
And I'll be your boyfriend
Let's make it official
'Cause I want you, girl
You're my baby My buddy an' kid sister, you an' me
Get down like 2 [Incomprehensible] on the side of the street
First I gave my heart, then I gave you the key
Then I stepped up to the plate an' gave you all of me You had me fallen like some leaves in the summer
You had me fixin' things like I was a plumber
You do the math, man around the house
I did it all for you, baby, what you talkin' 'bout? I started out talkin' to your best friend
Next thing I knew you was my girlfriend
Yeah, I got beef wit your ex-boyfriend
But it's all good because you're my baby It ain't no problem, Baby Blu can't solve
'Cause I relieve headaches without Tylenol
With you on the sideline, your boy gon' ball
I'll give you my all You'll be my girlfriend
And I'll be you boyfriend
Let's make it official
'Cause I want you, girl You'll be my girlfriend
And I'll be your boyfriend
Let's make it official
'Cause I want you, girl
You're my baby I know you used to me bein' slick an' slimy
Comin' home late when I'm with the boys, I'm shinin'
Baby girl, what's wrong?
We started like a nappy head to a hot comb
One minute I'm there, the next I'm gone I gave you a shoulder to lean on, a team to be on
I got your head spinnin' like a bottle of rum
Let's get it on, beat the stomach up while I'm in the zone
I'm ready to come home to see my queen on the throne You'll be my girlfriend
And I'll be you boyfriend
Let's make it official

'Cause I want you, girl You'll be my girlfriend
And I'll be your boyfriend
Let's make it official
'Cause I want you, girl
You're my baby I really want you, baby
I need you in my life
I got to have you, honey
I wanna spend some time Girl, I want you like the new Js
You're sweeter than candy
You're fine like wine
Girl, you're one of a kind
So fine, I think about you all the time
You're always on my mind You'll be my girlfriend
And I'll be your boyfriend
Let's make it official
'Cause I want you, girl You'll be my girlfriend
And I'll be your boyfriend
Let's make it official
'Cause I want you, girl
You're my baby
