

Luv Is a Verb

DC Talk

(Take this mic for a ride)

Boom! Burn! Bip! Yeah! Pow! Hey, ha ha

Down with the DC Talk, d-d-down with the DC Talk

Are you down with the DC Talk, d-d-down with the DC Talk Pullin' out my big black book

'Cause when I need a word defined that's where I look

So I move to the L's quick, fast, in a hurry

Threw on my specs, thought my vision was blurry I looked again but to my dismay

It was black and white with no room for gray

Ya see, a big V stood beyond my word

And yo that's when it hit me, that luv is a verb Words come easy but don't mean much

When the words they're sayin' we can't put trust in

We're talkin' 'bout love in a different light

And if we all learn to love it would be just right Hey, tell me, haven't ya heard? Luv is a serious word

Hey, I think it's time ya learned

I don't care what they say, I don't care care what ya heard

The word luv, luv is a verb Down with the DC Talk, d-d-down with the DC Talk

Are you down with the DC Talk, d-d-down with the DC Talk

Thinkin' of a way to explain-O

'Cause ya' know when I'm flowin' like a bottle of Drain-O Simple and plain, L O V E, ain't all that junk that ya see on TV

Put soaps on a rope 'cause they ain't worth copin' with

It's a myth that there ain't no hope

And luv is enough if it's unconditionally givin'

Now you're living out the Great Commission Words come easy but don't mean much

When the words they're sayin' we can't put trust in

We're talkin' 'bout love in a different light

And if we all learn to love it would be just right Hey, tell me, haven't ya heard? Luv is a serious word

Hey, I think it's time ya learned

I don't care what they say, I don't care care what ya heard

The word luv, luv is a verb Back in the day, there was a man

Who stepped out of Heaven and he walked the land

He delivered to the people an eternal choice

With a heart full of luv and the truth in His voice Gave up His life so that we may live

How much more luv could the Son of God give?

Here is the example that we oughta be matchin'

'Cause luv is a word that requires some action Words come easy but don't mean much

When the words they're sayin' we can't put trust in

We're talkin' 'bout love in a different light

And if we all learn to love it would be just right Hey, tell me, haven't ya heard? Luv is a serious word
