

# Ripped Me Out

## Minority 905

Verse 1:

I fell for the lies  
I didn't say goodbye  
I don't know why I stick around  
Keep coming back for more  
To a love full of thorns  
That I can't seem to let go

And now my hands are bleeding  
I can't shake this feeling  
I know that you're leaving  
But why did you lock me inside

Chorus:

You pulled me in and ripped me out  
From my place of safe and sound  
I don't know what's right and I can't decide  
Do I get up and rebound  
Or wait for you to come around

Verse 2:

You got me paralyzed  
And even if I try  
I know I can't forget you  
And now the months have passed  
But still your photographs  
Never fade away like you did

Now I'm slowly sinking  
Faltering and reeling  
So why fall in love  
If it can kill like this?

[Chorus]

Bridge:

I'm sick of writing songs about you  
And staying up half past two  
With thoughts of you I can't fight

'Cause I'm still locked inside

[Chorus]
