

American Gigolo

Weezer

Sit down, quiet everybody got a long way to go
I told you once before that you better not stop the show
Keep on, keep on, keep on, keep on
Keep on, keep on, keep on, yeah If you want me, you can't have me
Because you got to understand me Back off baby, I'm a loner, I got a lot of things to see
I told you once before that you better not take it from me
Keep on, keep on, keep on, keep on
Keep on, keep on, keep on, yeah If you hate this, no I can't blame you
'Cause I'm hurting, so I'll flame you I've seen this game before
My love walks right to your door
There ain't no hope for me anymore
Yeah If you hate this, no I can't blame you
'Cause I'm hurting, so I'll flame you And I've seen this game before
My love walks right to your door
There ain't no hope for me anymore
Yeah, yeah, yeah
