

Bad Girl

New York Dolls

Bad girl, a new bad girl, who get on my block
I gave her my key, I said don't bother to knock
I said c'mon, ya got what I need
I said come on, don't make my heart bleed I'm beggin', whoa bad girl, whatcha tryin' to do?
What is the matter with you, bad girl?
What are you tryin' to do? 'Cause I'm early in the mornin', not too late at night
You're tryin' to tell me everything is alright
Then you're gonna ask am I gonna take it slow
I said don't you worry there's no place to go
My bad girl I'm walkin' to the corner, to go in the cafe
That's when I seen her, a'walkin' my way
And all dolled up, in her waitress' skirt
I said c'mon, don't make my heart hurt I'm beggin', whoa bad girl, whatcha tryin' to do?
Wontcha tell me, what is the matter with you, bad girl?
What are you tryin' to do? With my last twenty-dollar bills
And you can keep the change
All you gotta do is get down in my range
If you're gonna ask me am I gonna take it slow
I said don't you worry there's no place I gotta go You're bad, bad, so bad I'm beggin', whoah bad girl
Whatcha tryin' to do?
What is the matter with you, bad girl?
What are you tryin' to do? I'm beggin', please little lover, stop this carryin' on
Gotta get some love before the planet is gone
If you're gonna ask me, am I gonna take ya home
I says dontcha worry, there's no place I gotta go
My bad Hey bad girl, I know why you're bad
But don't ya know, it just make me glad
When everybodys gonna put you down
Lookin' for your last friends, I'll be around I'm beggin', whoa bad girl, whatcha tryin' to do?
Won't you tell me, what is the matter with you, bad girl?
What are you tryin' to do? I'm beggin', please little darlin', stop this carryin' on
Gotta get some lovin' before the planet is gone
One nuclear bomb, they're gonna blow it all away
Come on bad girl give me some lovin' today Right here, right now bad girl
