

100 Ways to Be a Good Girl

Skunk Anansie

I caused a major war, just by talking
You flew into a rage, 'cause that's everything you know
Childhood of violence, filled with heart ache
I flew into a rage, 'cause that's everything I know I know a hundred ways to be a good girl
A hundred ways, my willingness to please
I know a hundred ways to be a good girl
Still I'm alone, I'm alone
I'm alone, I'm alone
I'm alone, I'm alone
I'm alone, I'm alone Shielding from unexpected fury
Frightened survivor in my world too shy to see
Softly I spoke, softly I'm dying
Crushed by your power, by my willingness to bleed I know a hundred ways to be a good girl
A hundred ways, my willingness to please
I know a hundred ways to be a good girl
Still I'm alone, I'm alone
I'm alone, I'm alone
I'm alone, I'm alone
I'm alone, I'm alone Crucify me with isolation
Crucify me-whoa-inside my private hell I know a hundred ways to be a good girl
A hundred ways, my willingness to please
I know a hundred ways to be a good girl
Still I'm alone, I'm alone
I'm alone, I'm alone
I'm alone, I'm alone
I'm alone, I'm alone A hundred ways
A hundred ways
A hundred ways
A hundred ways I know a hundred ways to be a good girl
Because you wanted me
Because you wanted me
But I didn't want you Crucify me
