What I Do

Sunset Black

I can barely breathe
You're alone
With all these thoughts that I reflect on
And I keep to myself
I'm aloneAll I do II've given you everything
That I had
And II know these games will pass
Pass me byDo you speak without sound
Do you cry without tears
Do you keep it all inside of you
Do you know how much I've given
Do you know all that I've done beforeAll I do II've given you everything
That I had
And II know these games will pass
Pass me byIt's what I do
I do for you
It's what I do
I do for you
It's what I do
I do for you
It's what II've given you everything
That I had
And II know these games will pass
Pass me byIt's what I do
I do for you
It's what I do
It's what I do
I do for you
It's what I do
