U

Zug Izland

You showed me
You showed me what it takes
To do what I want toAnd you told me
You told me all the mistakes
Then warned me don't do it[Chorus]
U...U
Are everything to me
U...U
you are everything yeeeah...
U...U
Are everything to me
U...U
You're everything, you're everything yeeeah...You showed me
You showed me was already laid
The path that we chooseAnd you told me
You showed me the gray skies
Will someday turn blue, yeau[Chorus]
U...U
Are everything to me
U...U
you are everything yeeeah...
U...U
Are everything to me
U...U
You're everything, you're everything yeeeah...You made me
You made me realize
The wrongs that we doYou had me (You had me),
In the light (in the light)
When the darkness came through hereThe darkness came through
The darkness came throuh
You helped me into the light
Now I know that I will be tight[Chorus 2x]
U...U
Are everything to me
U...U
you are everything yeeeah...
U...U
Are everything to me
U...U

You're everything, you're everything yeeeah...Me
Yeah
You're everything to me
