

Violet Hill

Coldplay

It was a long and dark December
From the rooftops I remember
There was snow
White snow Clearly I remember
From the windows they were watching
While we froze down below When the future's architected
By a carnival of idiots on show
You'd better lie low If you love me
Won't you let me know? It was a long and dark December
When the banks became cathedrals
And a fox became God Priests clutched onto bibles
Hollowed out to fit their rifles
And the cross held aloft Bury me in armor
When I'm dead and hit the ground
My nerves are poles that unfroze And if you love me
Won't you let me know? I don't want to be a soldier
With the captain of some sinking ship
Would stow, far below So if you love me
Why'd you let me go? I took my love down to violet hill
There we sat in snow
All that time she was silent, still Said if you love me
Won't you let me know? If you love me,
Won't you let me know?
