

Seasons Change

ExposÃ©

Some dreams are in the night time
And some seem like yesterday
But least and probably
Ships sail away
You long to say a thousand words
But seasons change

It feels like a trever
No reason for emptiness
Time just runs away
No more day by day you dream again
It's a day when seasons change

I want you I want to feel you by my side
I need you don't you know I need you baby
Seasons change feelings change
It's been so long since I found you
Yet it seems like yesterday
I'll sacrifice tomorrow just to have you here today

Forever seems so far away
There's time for love and play
Dream about today the feeling slips away
The winds that blow they gp away
And seasons change

I want you don't hide your feeling from inside
I need you got to have your I love my baby

I want you I want to feel you by my side
I need you don't you know I need you baby
Seasons change feelings change
It's been so long since I found you
Yet it seems like yesterday
I'll sacrifice tomorrow just to have you here today
