Chasing Shadows

Kansas

Some of you may know me and many of you won't
I am just a player in the band
Some of you will listen and some of you will hear
Some of you may laugh at me and some of you will cheer
'Cause all of us we are an audience
Looking for evidence to help it all make senseHave we left the answers far behind?
Are we running from the light?
And our legs are growing weaker
Chasing shadows in the nightTell me have you noticed, the tide is rolling in
The waves are crashing harder now the shore is wearing thin
The message in the bottle has been lost at sea
But the word live on forever it's meant to beHave we left the answers far behind?
Are we running from the light?
And our legs are growing weaker
Chasing shadows in the nightHave we left the answers far behind?
Are we running from the light?
And our legs are growing weaker
Chasing shadows in the night
Chasing shadows
