

# Chasing Shadows

## Kansas

Some of you may know me and many of you won't  
I am just a player in the band  
Some of you will listen and some of you will hear  
Some of you may laugh at me and some of you will cheer  
'Cause all of us we are an audience  
Looking for evidence to help it all make sense Have we left the answers far behind?  
Are we running from the light?  
And our legs are growing weaker  
Chasing shadows in the night Tell me have you noticed, the tide is rolling in  
The waves are crashing harder now the shore is wearing thin  
The message in the bottle has been lost at sea  
But the word live on forever it's meant to be Have we left the answers far behind?  
Are we running from the light?  
And our legs are growing weaker  
Chasing shadows in the night Have we left the answers far behind?  
Are we running from the light?  
And our legs are growing weaker  
Chasing shadows in the night  
Chasing shadows
