14th Of July

Shout Out Louds

Take me down on the 14th of July
How are we gonna celebrate?
Show me how to celebrate
Take me down to your parents? house in South France
Is there a special bond
Is she a natural blonde?
(Chorus):
So hold on, will this go down my way? (?)
Is the vacation long enough to keep me in the game?
What?s the point of a sun that never sets
When I can?t forget this isn?t real?
Looking for the right material
Take me down on the 14th of July
And take me to the fireworks

And show me how the fire works
Take me down, take me to the room where you grew up
I bet it?s got a great view
I bet no one loves you
(Chorus)
So take me down on the 14th of July
And how are we gonna communicate?
Show me how to communicate
Take me down to your parents? house in South France
Is there a secret well
Where the fortune fell?
(Chorus)
