Good Love (feat. Cashtastic)

Kyra

The sun is shining in
I feel it on my skin
Its gonna be a good day
Ahhh Ooooo (Ooooo)
Turn up the radio
My favourite song is on
If only I could press reply
Id start it all over again
Im gonna jump in my car and meet with my bredrins
Running round town I dont care what I spend
Dont want this day to end
Im feeling that good good good good love
Im feeling that good good good good love
Im feeling that good good good good love
Im feeling that good good good good love (Ayyyy)
Get in another round
Tonight is going down
Cause were just celebrating life
Ahhh Ooooo (Ooooo)
Rocking my favourite jeans
I see you watching me
Dont just stand there come dance by my side
Cause were feeling alright (yeahhhh)
Nah worry bout us cause we does what we do
Party all night I aint got no curfew
Grooving till the daylight (Ooooo)
Im feeling that good good good good love (Im feeling that good love)
Im feeling that good good good good love (I said Im feeling that good love)
Im feeling that (REPEATS) good good good good love (Im feeling that good love)
Im feeling that good good good good love (Ayyyy) (Cash)
(Owwww) Feeling like I just won the lottery (lottery)
Happiest alive, yeah I gotta be
Yeah I gotta be, everybodys vibesing
Youre doing your thing, Im doing my thing
Feeling that good love, and its a great feeling
Thanking God for life, because Im grateful that Im breathing
Daydreaming in my bed, gazing at the ceiling
Contemplating bout what Im wearing later on this evening
Im not gonna be on one, no Im gonna be on three

Feels like im on holiday, even thought I dont see palm trees
Im feeling that calm breeze, living life proudly
All I feel is positive energy around me (Cash)
Ahhh (Oooooo) pretty women, good vibe
(Yeahhh) Good music, good night
If I could rewind today, then I would twice
Smiles all around, Cause we living that
Living that good life, (that good life)
That good life, (that good life)
Living that good life, (that good life)
Ooooooooooooooooooooooooo(Yeahhh)Yeaahhhhhhhh
(Im Feeling that REPEATS) Im feeling that good good good good love
(That good love yeah) Im feeling that good good good good love
(good good good love) Im feeling that good good good good love
(Wooooooo Ooo Im telling you) Im feeling that good good good good love
Im feeling that good good good good love
