All About Soul

Billy Joel

She waits for me at night, she waits for me in silence
She gives me all her tenderness and takes away my pain
And so far she hasn't run, though I swear she's had her moments
She still believes in miracles while others cry in vainIt's all about soul
It's all about faith and a deeper devotion
It's all about soul
'Cause under the love it is a stronger emotionShe's got to be strong
'Cause so many things getting out of control
Should drive her away, so why does she stay?
It's all about soulShe turns to me sometimes and she asks me what I'm dreaming
And I realize I must have gone a million miles away
And I ask her how she knew to reach out for me at that moment
And she smiles because it's understood there are no words to sayIt's all about soul
It's all about knowing what someone is feeling
The woman's got soul
The power of love and the power of healingThis life isn't fair
It's gonna get dark, it's gonna get cold
You gotta get tough but that ain't enough
It's all about soulIt's all about soul
Yes, it is
It's all about soulThere are people who have lost every trace of human kindness
There are many who have fallen, there are some who still survive
As she comes to me at night and she tells me her desires
And she gives me all the love I need to keep my faith aliveIt's all about soul
It's all about joy that comes out of sorrow
It's all about soul
Who's standing now, who's standing tomorrowYou've got to be hard
As hard as the rock in that old rock 'n' roll
But that's only part, you know in your heart
It's all about soulIt's all about soul
Yes, it is
All about soul
Yes, it is
All about soul
Yes, it is
It's all about soul
