In Metal We Trust

Primal Fear

In metal we trust
For metal we live
In metal we trust
Give all you can giveWatch me now
I'm made of fire
Mark my words
I'm no liarThe stage is my castle
The lights give me power
You're all invited just show me the sign
Follow the spotlight
Follow my scream
This is our battle and metal we win
In metal we trust
For metal we live
In metal we trust
Give all you can giveRaise your fist
Say after me
We will rock
No matter whatThe stage is my castle
The lights give me power
You're all invited just show me the sign
Follow the spotlight
Follow my scream
This is our battle and metal we win
In metal we trust
For metal we live
In metal we trust
Give all you can give
