I'll Leave This World Loving You

Ricky Van Shelton

Walk away, leave with my blessing
Once in awhile let me hear from youIf we never meet again
Before my life is over
I'll leave this world loving youYou can take everything but my memories
For they're good ones and they'll see me throughIf we never meet again
I'll love you forever
I'll leave this world loving youYou were mine for a time and I'm thankful
Oh, but life would be so lonesome without youIf we never meet again
This side of Heaven
I'll leave this world loving youIf we never meet again
This side of Heaven
I'll leave this world loving you
