

# I Wanna Feel The Chill

[Dot Allison](#)

I  
I want to hear the sound  
I only dream of And I  
I want to feel the chill  
Of summer love Oh make it true  
Oh making you Oh make it true  
Oh making you I  
I want to hear you your voice  
Through the darkness But how  
Yeah how can I be sure  
When you constantly change Oh make it true  
Oh making you Oh make it true  
Oh making you
