

# One Of Those Christmas Days

## Third Eye Blind

I'm gonna stuff my present up your chimney  
And the melted snow will make it all wet  
'Cuz it's gonna be one of those Christmas days  
Spent in bed

I will be your little drummer boy  
I'll beat it till you feel no pain  
'Cuz baby you're my Christmas joy

When you're sucking on my candy cane  
It's gonna be one of those Christmas days  
We spend in bed  
It's gonna be one of those Christmas days  
We spend in bed  
Merry Christmas
