Soul Twist (45 Version)

King Curtis

I bless the day I found you
I want to stay around you
And so I beg you, let it be meDon't take this heaven from one
If you must cling to someone
Now and forever, let it be meEach time we meet love
I find complete love
Without your sweet love what would life beSo never leave me lonely
Tell me you love me only
And that you'll always let it be meEach time we meet love
I find complete love
Without your sweet love what would life beSo never leave me lonely
Tell me you love me only
And that you'll always, let, it, be, me
