

# Soul Twist (45 Version)

## King Curtis

I bless the day I found you  
I want to stay around you  
And so I beg you, let it be meDon't take this heaven from one  
If you must cling to someone  
Now and forever, let it be meEach time we meet love  
I find complete love  
Without your sweet love what would life beSo never leave me lonely  
Tell me you love me only  
And that you'll always let it be meEach time we meet love  
I find complete love  
Without your sweet love what would life beSo never leave me lonely  
Tell me you love me only  
And that you'll always, let, it, be, me
