

Face (live) (wicked breakdown!)

Damien Rice

How I know
Go blow win sin mend bend pretend, oh shut your face again
Read seed believe, reap feed on my knees and how I choose to
Lie cry learn grow slow fall stall and how I build my wall
Hate, wait bait now I kiss your taste, the place
Make weather in my face What I want you to know:
I wanna live, don't wanna die, wanna grow old with you
I wanna be
What I want you to know
Is I adore you, you, you, you you
Dear How I choose bruise lose you win you sin you bend you tease, you
Better have her on her knees
Hate, you play you pay you rock you feel you kneel you dream
How I choose to scream
Shall we sleep beneath the tortured deep?
Chain
Rearrange
Hate wait bait now you kiss or taste the place
And make weather in my face What I want you to know:
I wanna live, don't wanna die wanna grow old with you
I wanna be
What I want, you know
Is I adore you, you, you, you yeah
Yeah 4 x
[You, you, you, you, you you
You, you, you]
You I wanna be the only one that you know
I wanna live, don't wanna die, wanna grow old with you
I wanna be
The only one that you know
'Cause I adore
Adore
I adore
I adore
So much, so 4 x
[Adore you, adore you, adore you]
