What Goes On

The Feelies

What goes on in your mind?
I think that I am falling down
What goes on in your mind?
I think that I am upside down
Lady, be good and do what you should
You know, it?ll work alright
Lady, be good and do what you should
You know, it?ll be alright
I?m goin? up, and I?m goin? down
I?m gonna fly from side to side
See the bells, up in the sky
Somebody?s cut the string in two

Lady, be good and do what you should
You know, it?ll work alright
Lady, be good and do what you should
You know, it?ll be alright
One minute one, one minute two
One minute up and one minute down
What goes on here in your mind?
I think that I am falling down
Lady, be good and do what you should
You know, it?ll work alright
Lady, be good and do what you should
You know, it?ll be alright
