

My Favorite Shirt is My Skin

MOD SUN

Yeah

My favorite shirt is my skin
(my favorite shirt is my skin)
My favorite shirt is my skin
(my favorite shirt is my skin)
Pretty on the outside and within
(pretty on the outside and within)
Pretty on the outside and within
(pretty, pretty on the outside and within)

My favorite shirt is my skin
I'm in love with myself
Everytime I look into the mirror

WOOH!

I melt

My favorite shirt is my skin
(my favorite shirt is my skin)
My favorite shirt is my skin
(my favorite shirt is my skin)
My favorite shirt is my skin
I'm in love with myself
Every flaw is really beauty
On by nobody else
The world will be a better place
If this how everyone felt
So until we see that say
I'm here to offer some help
My favorite shirt is my skin
I'm in love with myself
Feelin sexy aint determined
The size of your belt
And you look good in that makeup
But I like all natural
I think everyone is beautiful
(beautiful x4)
My favorite shirt is my skin
Pretty on the outside and within
(pretty on the outside and within)
Pretty on the outside and within
(pretty, pretty on the outside and within)

My favorite shirt is my skin
I'm in love with myself
Everytime I look into the mirror
WOOH!

I melt
My favorite shirt is my skin x3
I think everyone is
is beautiful
Pretty on the outside
and within
I'm in love with myself
-one is beautiful
I'm in love with myself x3
I think everyone is
is beautiful
