Crazy Life

Toad The Wet Sprocket

Anyway now, it don't seem right
He is in there and you're on the outside
Over pine ridge to wounded knee
Blood on ground as far as you see
Crazy life
In the air, I'm sensin' a change in weather
In the end the path is clear
Does anyone remember here?
Did you all think he'd just disappear?
Crazy life
What have you done with Peltier?
Who do you think, taken away
Crazy life?
In the air I'm sensin' a change in weather

In the end the path is clear
Burying won't stop it breathin' forever
Underground it takes to root oh ohh
Anyway, it don't seem right
He is in there and you're on the outside
What have you done with Peltier?
Who do you think, taken away?
It's not over, it's not over
It's not over
Over, over
It's not over, it's not over
Over, over, over
