

So Long

Collide

So long why
Does it take so long
What if I wait for you
Am I the only one So long what did it mean
Turn around here and
See if it breaks in two
Am I the only one Secrets turn your soul out
I could always be there
Make this all
I turn around
Suddenly
What if it breaks in two
Am I the only one So long
Forget your going
So long
Show me there
I think you will
So long what did it mean
Why does it take so long
What if I break in two
Am I the only one
