Starbright Boy

Advisory - the following lyrics contain explicit language:

Yeah, we wanna star in an eighties movie
American bratpack members, truly
Yeah, we want big hair, permed and curly
So we can wear shades, looking mean and surlyYeah we wanna car with a removable roof
So we can air our big hair, bypass the truth
That these things never happen in reality
But we'll be pretty in pink, just wait and seeI'll be the Starbright boy
And you're the starbright girl
I'll be the Starbright boy
And invade your worldYeah, we wanna star in a skateboard movie
And be bad at the stunts like all amateurs should be
But we'd have so much fun playing, let's pretend
That we'd get good at the stunts, showing off by the endYeah, we'll steal sport cars from our dads
And we'll fail our exams 'cuz it's cool to be sad
Yeah, everyday could be a holiday
No school, no rule, just me to sayI'll be the Starbright boy
And you're the starbright girl
I'll be the Starbright boy
And invade your worldWe'll be hanging around with Ferris Bueller
Meet Drew Barrymore 'cuz she's way cooler
Buy all our clothes on Rodeo Drive
Never flat lining, we'll be aliveUpside down like we're the lost boys
Endorse the Starbright fake plastic toys
Until the white flag must be unfurled
Just like Superman, we'll invade your world
