

Plastic (Extended Mix)

New Order

Got a feelin' in my head
Feels like thunder overhead
Intoxicated, can't stop the flow
This love is poison, but it's like gold Give me direction out of the fold
Show me affection, I'll sell ya' my soul It's official, You're fantastic
You're so special (So special), So iconic (So iconic)
You're the focus (The focus), of attention (Attention)
But you don't want it (You don't want it), cos' you're so honest If you break me, will u fix me?
And if I'm missin', will u miss me?
I'll regret it til' the day I die
Until u knew it was in my head Feels like thunder, it's gettin' cold
This love is poison, but it's like gold It's official, You're fantastic
You're so special (So special), So iconic (So iconic)
You're the focus (The focus), of attention (Attention)
But u don't want it (You don't want it), cos' you're so honest (You don't want it) You don't want it It's official,
You're fantastic
You're so special (So special), So iconic (So iconic)
You're the focus (The focus), of attention (Attention)
But u don't want it (You don't want it), cos' you're so honest (You don't want it) One of these days, one of these
days
Right when u want me, baby, I'll be gone
Cos' you're like plastic, you're artificial
You don't mean nothin', baby, so superficial
