

# Last Dance (Avicii Instrumental Radio Edit)

[Avicii](#)

If this is our last, last dance  
Move a bit closer, just let it take over  
And if this is our final chance  
Lets make it worth it and dance until we stop the world  
If this is our last, last dance  
Move a bit closer, just let it take over  
And if this is our final chance  
Lets make it worth it and dance until we stop the world  
If this is our last, last dance  
Move a bit closer, just let it take over  
And if this is our final chance  
Lets make it worth it and dance until we stop the world  
If this is our last, last dance  
Move a bit closer, just let it take over  
And if this is our final chance  
Lets make it worth it and dance until we stop the world
