We're Gonna Rise

The Breeders

Nothing he came to believe
Of what you decided last night
Still the sun shines
Hits my shield and ignites

We're Gonna Rise
The Sun shines
We're gonna rise
Feel a light on my face

Out of rank
Out of range

No counsel, no grand strategy
No sword to fall on
No rules backed our pain
Just a light on my face

We're gonna rise
Feel a light on my face
We're gonna rise.
Feel the light on my face

Out of rank, out of range

Speak of a man's great thoughts
I'll tell the story
Or not

Nothing he came to believe
Of what you decided last night
Still the sun shines
The sun shines.

We're gonna rise
Feel the light on my face
We're gonna rise
Feel the light on my face
