

Driving (Acoustic Mix)

Everything But the Girl

Yeah, yeah, yeah Oh, lover boy to you I belong
But maybe one day you'll wake
And you'll find me gone But lover boy if you call me home
I'll come driving, I'll come driving
Fast as wheels can turn Oh, lover boy I know you too well
And all of my lonely secrets
To you I tell The highest of highs, the lowest of lows
I'll come driving, I'll come driving
Fast as wheels can turn
Fast as wheels can turn Stretching away as far as my eyes can see
Deserts and darkness, my hand on the wheel
Lover boy, please call me home
A girl can get lonely out here on the road A girl can get lonely out here on the road You see some days I find the
old ways
Frighten me too easily, I leave my key and say
I'm too young But lover boy if you call me home
Lover boy if you call me home
Lover boy if you call me home
I'll come driving, I'll come driving
Fast as wheels can turn Fast as wheels can turn
Fast as wheels can turn
Fast as wheels can
Fast as wheels
I'll come driving Driving, I'll come driving
Driving, I'll come driving
Driving, I'll come driving Driving, I'll come driving
Driving, I'll come driving
Driving, I'll come driving Driving, I'll come driving
Driving, I'll come driving
Driving, I'll come driving
Driving Fast as wheels can turn
Fast as wheels can turn
Fast as wheels can turn
