

# Planet Blue

## Golden Earring

I stand in line for a piece of meat  
My pocket's always empty as usually  
The gates of heaven I touched for you  
There's nothing more a spaceman can do  
Planet Blue is my island  
Mother Earth I'm coming down  
Traveling with the speed of light, oh yeah  
No one loved you as much as me  
Lenin, Stalin, Marx and your KGB  
I have tried to break that spell  
When I threw my Roubels down the wishing-well  
When I get home you touch me  
Make me burn every single bridge  
You're in my law of gravity  
And I know you'll never let me go  
I'm a spacey-dog, gone astray  
A million miles and the job don't pay  
I've seen a junkyard between the stars  
A lotta heavy metal and it's coming our way
