sillyworld

Stone Sour

Freedom's just a word today, freedom's just a word

When someone takes your word away, it's seldom ever heard

So take a sentence full of things you're not supposed to say

Carry on, but don't write 'em down, or you'll be goneLove is just a song today, love is just a song

When someone takes the song away, you seldom sing along

So take those lyrics serious and sing your life away

Carry on, but don't write 'em down, or they'll be goneAll we ever do is talk; we like to ride, but we never walk

We make it so damn easy, we get bored

Why can't anybody see, what's good for you is good for me?

I can't take your silly world

I can't take your silly world no morePeace is just two fingers now, peace was just a face

When someone put it on a shirt, you knew to count the days

So take those fingers, tape 'em up, and shove 'em up your ass

And carry on, but don't try it now, 'cause peace is goneAll we ever do is talk; we like to ride, but we never walk

We make it so damn easy, we get bored

Why can't anybody see, what's good for you is good for me?

I can't take your silly world

I can't take your silly world no moreWe fight our instincts

We go to extremes

We fight our instincts

We go to extremesWe fight our lives

We fight our We fight our lives
