

# Ol Fashioned Kiss (Vendredi Remix)

[Ala.ni](#)

Just an old fashioned kiss  
Guess me hard even in winter?  
How can I resist  
Oh how you tease me  
A simple kiss upon my cheek  
Makes my knees a little weaker  
Your lips are like a spring  
Morning do wanna red rose?  
Kiss me quick,  
kiss me hard  
Make it slow,  
Make it soft  
Cheek to cheek  
Palm to palm  
Just as long  
As you keep me close
