DMA's

These were the days that you tried to fade
It was the last thing you said to me
Lost in the ways that you try to take
Made in the rain of our history
It's in my heart, it's in my head for you
It's in my heart, it's in my head for you
You know you want it
Know you gonna let me out
You pretty picture, taken in the morning out
Did I miss you? Prove it in my eyes
You're going off the way
You're going off the way
Lost in the ways that you try to say
Made in the rain of our history
It's in my heart, it's in my head for you
It's in my heart, it's in my head for you
You know you want it
Know you gonna let me out
You pretty picture, taken in the morning out
Did I miss you? Prove it in my eyes
You're going all the way
You're going all the way
It's in my heart, it's in my head for you
It's in my heart, it's in my head for you
You know you want it
Know you gonna let me out
You pretty picture, taken in the morning out
Did I miss you? Prove it in my eyes
You're going all the way
You're going all the way
