Forever

Ben Harper

Not talkin' 'bout a year, no not three or four
I don't want that kind for forever in my life anymore
Forever always seems to be around when it begins
But forever never seems to be around when it ends
So give me your forever
Please your forever
Not a day less will do
From you
People spend so much time, every single day
Runnin' 'round all over town, givin' their forever away
But no, not me, I won't let my forever roam
And now I hope I can find my forever a home
So give me your forever
Please your forever
Not a day less will do
From you
Like a handless clock with numbers an infinite of time
No, not the forever found only in the mind
Forever always seems to be around when things begin
But forever never seems to be around when things end
So give me your forever
Please your forever
Not a day less will do
From you
