

Forever

Ben Harper

Not talkin' 'bout a year, no not three or four
I don't want that kind for forever in my life anymore
Forever always seems to be around when it begins
But forever never seems to be around when it ends

So give me your forever

Please your forever

Not a day less will do

From you

People spend so much time, every single day
Runnin' 'round all over town, givin' their forever away

But no, not me, I won't let my forever roam

And now I hope I can find my forever a home

So give me your forever

Please your forever

Not a day less will do

From you

Like a handless clock with numbers an infinite of time

No, not the forever found only in the mind

Forever always seems to be around when things begin

But forever never seems to be around when things end

So give me your forever

Please your forever

Not a day less will do

From you
