Oh Boy

Stampead

There's an old saying, I forgot what it was,
but it will lift you up when you need it most,
oh yeah.I woke today the sky was blue,
bluer than it ever was,
than it ever was now.I wish the DJ had something to say,
but it's the same old shit he always plays,
and I sing along.And you say,
Oh boy, oh boy
Let me do it again
Oh boy, oh boy
Let me do it again
Oh boy, oh boy
Let me do it again
Oh boy, oh boyI heard a gunshot on Fountain and Vine,
first I ran and then I smiled.
its gonna be alright.And I had a smoke and I walked around,
watched the hookers strut up and down and say,
I got what you need.And they say
Oh boy, oh boy
Won't you do it again
Oh boy, oh boy
Wont you do it again
Oh boy, oh boy
Wont you do it again
Oh boy, oh boySometimes the night it lasts too long,
at the kitchen table going strong saying, "Hey Jim,
can I burrow twenty dollars?"I looked right up at the sky,
seems it's raining on me.
and it feels good.And you say
Oh boy, oh boy
Let me do it again
Oh boy, oh boy
Let me do it again
Oh boy, oh boy
Let me do it again
Oh boy, oh boy
