

Champion (Remix)

Nick Catchdubs

[Chipmunk - Verse 1] Team UK we on a mad ting
American girls they love my accent
Road man, rate me, affiliated for money
Yardie girls love me, affiliated with gully
Hot topic, I'm the one they wanna talk on
A thin line between love and hate is what I walk on
And every song I ever dropped was a right move
From the underground but came from the right too
You tryna blow your way over air (over air)

I'm putting power moves for the year
Type of idiot to hate before you hear

But even if you hating, it's nothing I got your ears

[Chris Brown - Chorus] I'm always pushing myself to the limit

making sure I stay ahead

you made me who I am, from the words you said

Some people have to learn

some people wait their turn

some people but not me

I was born a champion

some people have to fight

some people give their lives

some people don't believe

I was born a champion

but I was born a champion

but I was born a champion

[Chris Brown - Verse 2] This gon be the realest shit I ever wrote

Off the record, no camera's, forget a quote

Some of my family doing good, most doing dope

I from Virginia where they hang n-ggas by a rope

I used to see my momma getting beat down!

Is that the real definition of me now?

I fell off, back on my feet now

Headed to the sky, can't even see down

Award shows, I poured my heart out

And people still steady trynna point my flaws out

And I'd be lying if I said it ain't get to me

But I'm a champion, legend, history

[Chorus][J. Cole] Cole World

Young Simba, story of my life
How to shine, put glory over ice
Rules made to be broken like an Oreo in life
Uni-bomber, they thought I blew up over night (bomb)
 UPS plus it down
 While you BS, f-ck around
 I took a dollar to the city of the dreams
 Called up my homiez than I put them on my team
 And so we paid
 And now we out in London, Oh behave
 Cold World if you wonderin', snowy days
 I made it through with no heaters, f-ck the leaders
 When we starving they won't feed us
 We don't need em'
[Chorus][Chipmunk - Verse 3]Imagine you was the one, that couldn't get a look in
 couldn't get a booking
 couldn't get a push in when you needed a shove
 or your buttons they be pushing
 so now they tryna shush him
 it's only you believing in you
 they turn you into a bastard than moment you rude
 attitude a little out of tune
 but that's how champions move
 yeah so go and get it in sunny
 not everybody gets a second chance at getting money
 or even getting lucky
 so you gotta feel the hunger in your tummy
 [Chorus]
