

Use Me (2015 Remastered Version)

Mick Jagger

My friends feel their appointed duty
They keep trying to tell me all you want to do is use me
Uh huh but my answer about all that use me stuff I want to spread the news that if it feels this good getting used
You can keep on using me
Until you use me up
Until you use me up My brother sit me right down and he talked to me
He told me that I ought to not let you just walk on me
Well I'm sure that he meant well, yeah but when
Our talk was through I said brother if you only knew you'd wish you were in my shoes
You could keep on using me
Until you use me up
Until you use me up Sometimes it's true you really do abuse me
Oh you get me in a crowd of high class people
And you act real nasty to me
I said, oh baby, baby, baby, when you love me
I can't get enough I want to spread the news that if it feels this good getting used
You can keep on using me
Until you use me up
Until you use me up
