

# Your Love (Acoustic)

## Alamid

you're the one that never lets me sleep  
to my mind, down to my soul you touch my lips  
you're the one that i can't wait to see  
with you here by my side i'm in ecstasy i am all alone without you  
my days are dark without a glimpse of you  
but now that you came into my life  
i feel complete  
the flowers bloom, my morning shines  
and i can see chorus:  
your love is like the sun  
that lights up my whole world  
i feel the warmth inside  
your love is like the river  
that flows down through my veins  
i feel the chill inside every time i hear our music play  
reminds me of the things that we've been through  
in my mind i can't believe it's true  
but in my heart the reality is you i am all alone without you  
my days are dark without a glimpse of you  
but now that you came into my life  
i feel complete  
the flowers bloom, my morning shines  
and i can see your love is like the sun  
that lights up my whole world  
i feel the warmth inside  
your love is like the river  
that flows down through my veins  
i feel the chill inside
