Since I Fell for You

Nancy Wilson

You made me leave my happy home
You took my love and now you're gone
Since I fell for youLove brings such misery and pain
I guess I'll never be the same
Since I fell for youIt's so bad, It's so sad
I'm in love with you
You love me, then you snub me
But what can I do
I'm still in love with youI guess I'll never see the light
I get the blues 'bout every night
Since I fell for you
Since I fell for you
