

# Smile (Just Want to be With You)

**Chris Rice**

How far are you, how close am I  
I know your words are true and I don't feel them inside  
Still I believe you'll never leave  
So where are you now You're all I have, You're all I know  
Your breath is breathing in my soul  
Still I am gasping, aching, asking  
Where are you now 'Cause I just want to be with You  
I just want this waiting to be over  
I just want to be with You  
And it helps to know the Day is getting closer Every minute takes an hour  
Every inch feels like a mile  
Til I won't have to imagine  
And I finally get to see You smile My journey's here, but my heart is There  
So I dream and wait, and keep the faith, while You prepare  
Our destiny, til You come back for me  
Oh, please make it soon! 'Cause I just want to be with You  
I just want this waiting to be over  
I just want to be with You  
And it helps to know the Day is getting closer Every minute takes an hour  
Every inch feels like a mile  
Til I won't have to imagine  
And I finally get to see You smile I just want to be with You  
I just want this waiting to be over  
I just want to be with You  
And it helps to know the Day is getting closer I just want to be with You  
I just want this waiting to be over  
I just want to be with You  
And it helps to know the Day is getting closer Every minute takes an hour  
Every inch feel like a mile  
Til I won't have to imagine  
And I finally get to see You Every minute takes an hour  
Every inch feel like a mile  
Til I won't have to imagine  
And I finally get to see You smile
