

# Down the Road

## Bee Gees

Don't need anybody, I don't need anyone

Take it nice and easy mama, chicken on the run

And I don't care, I'd show my body anywhere  
Ain't no big city winner's gonna pass my buck anywhere  
Ain't no four leaf clover's gonna settle my luck and I don't care  
Go down to the courthouse and I've been on  
display

Don't you think that I don't know it ain't been a perfect day

But I don't care, I'd sell my body anywhere  
In the name of creation, I can't find an explanation anywhere

Ain't no easy rider gonna settle my luck and I don't care  
Down, down the road, up the road

Down, down the road, up the road  
Been rejuvenated to the highest degree

Ain't no words describing what this feeling's done to me

And I don't care, I'd show my feelings anywhere  
Ain't no heavy Mister Leather's gonna paddle my butt  
anywhere

Ain't no four leaf clover's gonna settle my luck and I don't care  
Down, down the road, up the road

Down, down the road, up the road  
Down, down the road, up the road

Down, down the road, up the road

...
