

When You Say

Christine McVie

Written by danny kirwan. When you say
That you know
Of all the good times to come When you say
That there'll always be
You and me When I say
That I know
Of all the good time to come When you say
That there'll always be
You and me La la la la la la
La la la la la la
La la la la la la
La la la la la la
La la la la la la
La la la la la la
La la la la la la
La la la la la la La la la la la la
La la la la la la When you say
That you know
Of all the good times to come When you say
That there'll always be
You and me When I say
That I know
Of all the good time to come When you say
That there'll always be
You and me La la la la la la
La la la la la la
La la la la la la
La la la la la la
La la la la la la
La la la la la la
La la la la la la
La la la la la la La la la, la la la...
