

C O O L (Original Mix)

Le Youth

As long as you're cool
Here's where you wanna be
As long as you're cool
Baby tell me how you like it
As long as you're cool
Here is where you wanna be
As long as you're cool
Baby tell if you like it
Now it's me and you
I've been waiting Think I wanna make that move, now
Baby, tell me if you like it
Tell me if you like it
It's me and you, now
I've been waiting
Think I wanna make that move, now
Baby, tell me how you like it As long as you're cool
Right here's where you wanna be
As long as you're cool
Everytime you feel like it
As long as you're cool
Here is where you wanna be
As long as you're cool
Everytime you feel like it
Now it's me and you
I've been waiting Think I wanna make that move, now
Baby, tell me if you like it
Tell me if you like it
It's me and you, now
I've been waiting
Think I wanna make that move, now
Baby, tell me how you like it
