Friends Like These (1985 Demo)

T'Pau

With friends like these
There's no need to worry your head
It seems
They know everything
Hand on the heart
They see how you should feel
But, oh, how
The mighty all fall down
Heavy in a sea of principles
They drownThey have only one dream
Only one way
With only one vision and
Thought for the dayWith friends like these
Woh, oh, woh
Cautioning the way the world is turning
I want to know
Will they ever, ever see
Or be sure
There's another way
Your mind is working?Now right or wrong
They never walk alone
How lucky are the few
Who know where they belong
For they have...Only one dream
Only one way
With only one vision and
Thought for the dayThere is only (there is only)
One dream (yeah, there is only)
Only one way
With only one vision
Thought for the day (here's your thought for the day)
Yeah, yeah, yeah!
Your thought for the day (here's your thought for the day)
Your thought for the day
